Teen and Young Adult Dating Violence Task Force

Laurel House has developed a Teen and Young Adult Dating Violence Task Force open to any teens/young adults interested in helping end dating/domestic violence. This group works along with Laurel House to help raise awareness through various projects, events, and initiatives in the schools and community at large. Members work both independently and together to develop ideas and plans to accomplish these goals. We meet on the third Wednesday of every month to discuss and brainstorm such action plans.

This is a great opportunity for younger people to learn more about the organization, foster leadership skills, and create new friendships.

Come be part of this exciting new group! Food will also be provided.
