TEEN AND YOUNG ADULT DATING VIOLENCE TASK FORCE

- Want to help end dating violence in your schools, community, state?
- Want to meet other young leaders?
- Interested in advocacy, community organizing or policy change?

Laurel House has developed a Teen and Young Adult Dating Violence Task Force **open to any teens/young adults interested in helping end dating/domestic violence**. This group works along with Laurel House to help raise awareness through various projects, events, and initiatives in the schools and community. We meet once a month at Laurel House's East Norriton offices.

This is a great opportunity for young people to learn more about Laurel House, foster leadership skills, and create new friendships.

Come be part of this exciting new group!
