Holiday Wish List
2019

The holidays are right around the corner, and just as we get excited about shopping for our families during this season, so do the families that we serve. We invite you to join us in giving these women the same opportunity to shop for their families. This year we are asking our donors to consider providing gift cards so that the women in our shelter, transitional housing, and community counseling programs can enjoy the experience of shopping for special gifts for their children and holiday meals. If you prefer to donate specific items, we have included a “Holiday Wish List” as well.

(Please note that all items should be in new condition).
