

2022 Holiday Wish List

Due to the current public health concerns, we are strongly encouraging our Holiday Wish List donors to order online for delivery to our main office whenever possible. We are also asking donors to consider providing gift cards so that the women in our shelter, transitional housing, and community counseling programs can enjoy the experience of shopping for special gifts for their children and holiday meals.

If you prefer to drop off directly, we will also have a “no contact” drop off option:

Monday through Friday 9:00am – 5:00pm

Contact us at 610-277-1860 if you have any questions or to schedule a “no contact” drop off.
